*STEM-Designated Degree Program

Top ranked

in Game Design: #45 undergraduate program, #21 graduate program (The Princeton Review, 2020)

APPLY

If you would like to apply to study at the DePaul University Global Gateway Program, you will need to complete an application form and submit the relevant documentation.

You can either apply through your local education agent or directly via our website, **globalgateway.depaul.edu/admissions**.

If you are applying directly and have a question, then a Student Enrolment Adviser will be happy to help. They speak a variety of languages and understand several more.

You can make an enquiry through the website.

We are committed to working with every student on the options to continue studying with us. For students who decide to withdraw after beginning their online courses, GGP and direct admission students may receive a 100% refund on their tuition and deposit within 14 days of starting their course online, should they decide not to continue with virtual learning for the quarter.

If a student completes the course online and is then not able to come to the US because of visa issues, that student will be entitled to a 50% refund of tuition paid after completing the online program if he/she has achieved the required minimum GPA requirement, has met academic progress criteria, and shows evidence of three (3) visa denials. This refund policy is applicable to GGP and direct admission students.
